CLUBS FOR OUR CUBS

1st/2nd Grade

2017-2018

ALL CLUB REQUIREMENTS

***Interested students will participate in just one club.** You may share your interest in the club by completing and detaching the 1st/2nd Grade Interest Slip that is attached. We'll do our best to place your child in their first choice and will make sure to notify you of your child's club assignment by September 1st.

Interest Slips are due by Friday, August 25!
Some clubs have a limited number of spots available, so please turn in your slip as soon as possible. :-)

*Parents will provide transportation for meetings/performances and students must be able to consistently attend all meetings/performances.

*If there is no school on your club day, the club does not meet.

*Morning Club Hours: 8:00-8:45AM

*Afternoon Club Hours: 4:00-5:00PM

*If your child is a school breakfast eater on the day of a morning club, he/she will be sent to breakfast at 8:40 a.m.

*Our building and classrooms will be open beginning 7:55 a.m. for morning clubs. There is no supervision available before 7:55 a.m.

*District policy: If your child misses school the same day as an after-school event, your child may not attend the evening function.

1ST/2ND GRADE CLUB INTEREST SLIP

Interested students will only participate in one club per semester. Please rank each choice below with:

"1" as your first choice

"2" as your second choice

"3" as your third choice

"0" as a choice you do NOT want

Student Name _____

Classroom Teacher _____

Parent Signature: _____

Science _____ Computer _____ Choir _____ Art _____ Math _____ PE _____
Wee Delivery _____ TSA _____ Fiber Club _____

IMPORTANT: Please be sure to rank your choice clubs above!

1st & 2nd Grade - SCIENCE CLUB

Science has never been this fun! Have you ever wanted to make pumpkin slime or build your very own rocket? Then this is the club for you! The Science Club provides extra curricular opportunities for students to extend their learning about science from the classroom. Students can explore their own interests and the world around them through hands on learning based in science. Hope to see you there. **SCIENCE RULES! Science Club members will meet after school on Wednesdays with Mrs. Webb and members will be contacted by September 1st.**

1st Grade Only - COMPUTER CLUB

First graders are invited to blast into cyberspace in the computer lab by joining the Computer Club! The students will learn about computer basics, Google Apps for Education, coding, investigate various bookmarked internet sites, and complete a few fun projects! **Computer Club members will meet before school on Thursdays with Ms. Benfatto and members will be contacted by 9/1/17.**

1st & 2nd Grade - FIBER CLUB

Students will learn how to knit and crochet. You'll be hooked! **Fiber Club members will meet after school on Tuesdays with Ms. Clark and members will be contacted by September 1st.**

1st & 2nd Grade Only - CHOIR CLUB

Choir Club is designed to help students feel more comfortable singing in a group and performing in front of an audience. If you already love to sing and have fun, then this club is for you! Attendance is important in order to prepare for all concerts. **Choir Club members will meet before school on Thursdays with Ms. Johnson.**

Ms. Johnson will contact with more information by September 1st.

1st Grade Only - MATH CLUB

Come see how "math" is everywhere! We will complete fun learning activities that require math skills we need on a day-to-day basis. Sometimes the games and activities will be so fun and engaging you won't even know you are doing math! **Math Club members will meet before school on Wednesdays with Mrs. Olive.**

Mrs. Olive will contact with more information by September 1st.

2nd Grade Only - ART CLUB

Students are given the opportunity to explore their creative ideas and talents through projects that are an extension of the elementary art curriculum. If you love to dream, create, and inspire art club is for you! **Art Club members will meet before school on Wednesdays with Mrs. McCormick and members will be contacted by September 1st.**

2nd Grade Only - TSA

(Technology Student Association)

For a portion of the year, this club will be an introduction to robotics programming using the LEGO® program "We-Do"! Students will gain exposure to engineering, computer programming and problem solving. For the remainder of the year, students will use applications that teach basic programming languages to enable young children to create their own interactive stories and games. **TSA members will meet before school on Wednesdays with Mrs. Olive. Mrs. Olive will contact with more information by September 1st.**

2nd Grade Only - WEE DELIVERY CLUB

The purpose of Wee Deliver is to provide students with real-life experiences to apply basic skills such as writing a letter, using the mail system, properly addressing an envelope, and using appropriate punctuation. The club is made up of Wee Deliver employees who complete assigned duties at the school "post office" before school. Mail written by students is delivered to the proper classroom during the week. **Wee Delivery will meet before school on Wednesdays with Ms. Benfatto and members will be contacted by September 1st.**

1st & 2nd Grade Only - PE CLUB

Students will learn about health and fitness, while having fun and staying fit. Students will play recreational games and activities and will practice team-work and team building skills. **PE Club members will meet after school on Tuesdays with Coach McAfee and members will be contacted by September 1st.**
