Panther Cubs

CLUBS FOR OUR CUBS

KINDERGARTEN

2017-2018

ALL CLUB REQUIREMENTS

***Interested students will participate in just one club.** You may share your interest in the club by completing and detaching the Kindergarten Club Interest Slip that is attached. We'll do our best to place your child in their first choice and will make sure to notify you of your child's club assignment by September 1st.

Interest Slips are due by Friday, August 25th!
Some clubs have a limited number of spots available, so please turn in your slips as soon as possible. :-)

*Parents will provide transportation for meetings/performances and students must be able to consistently attend all meetings/performances.

*If there is no school on your club day, the club does not meet.

*Morning Club Hours: 8:00-8:45AM

*Afternoon Club Hours: 4:00-5:00PM

*If your child is school breakfast eaters on the day of a morning club, they will be sent to breakfast at 8:40 a.m.

*Our building and classrooms will be open beginning 7:55 a.m. for morning clubs. There is no supervision available before 7:55 a.m.

*District policy: If your child misses school the same day as an after-school event, your child may not attend the evening function.

Interested students will only participate in one club.

Please rank each choice below with:

"1" as your first choice

"2" as your second choice

"3" as your third choice

"0" as a choice you would not like to have

Student Name _____

Classroom Teacher _____

Parent Name: _____

(Club descriptions are on the back)

_____ Science

_____ Book

_____ Spanish

IMPORTANT: Please be sure to rank your choice clubs above!

Kindergarten SCIENCE CLUB

Kindergarten Science Club has never been this fun! Have you ever wanted to make pumpkin slime or build your very own rocket? Then this is the club for you! The Science Club provides extra curricular opportunities for students to extend their learning about science from the classroom. Students can explore their own interests and the world around them through hands on learning based in science. Hope to see you there! SCIENCE RULES!

Science Club members will meet after school on Wednesdays with Mrs. Webb. Mrs. Webb will contact with more information by September 1st.

Kindergarten BOOK CLUB

Kindergarten Book Club will give students the opportunity to explore various places and ideas through books about a variety of topics. Students will enjoy books through reading and listening, and will complete a variety of activities that will help develop a love for books. If you love to learn new things and visit exciting places, then book club is perfect for you!

Book Club members will meet before school with Mrs. McCrary OR will meet after school with Mrs. Ballieu. Sponsors will contact with more information by September 1st.

Kindergarten SPANISH CLUB

Kindergarten Spanish Club will give students the opportunity to explore Spain and learn about the Spanish culture through a variety of activities. Students will learn basic Spanish words and phrases, discuss Spanish traditions, and celebrate with a Spanish fiesta. Spanish Club will be “much a diversion!”

Spanish Club members will meet before OR after school with Mrs. McCrary. Mrs. McCrary will contact with more information by September 1st.
