LETTER FROM DR. GRUNTMAN

Hello SPE Families!

Happy Friday! This full week of school was packed with great learning and understanding of new concepts. As I walked through classrooms, I was able to hear students having conversations about the books they were reading, the writing they have completed, and the math problems they were solving. It was very exciting!!!

Today is the kick off for our TJ's Pizza Fundraiser! Packets of information were sent home today. Let the selling begin! Thank you in advance for all the support to help our school! If you have any questions, you can call the main office.

Next week, we have our kick off for Jump Rope For Heart! Please have your child(ren) wear RED! Also, look for information to come home on Friday, February 3rd. This is a great cause that helps many people in our world.

Finally, March 2nd is our Kindergarten Registration Night! If you have a younger child(ren) or know one that is coming up to school next year, please make sure to save this date! Doors will open at 7:00 am for registration and close at 7:00 pm.

Have a great weekend!!!

Thank you,
Erin Gruntman
Principal

Friday, Feb 3rd "Go Red Day".

Wear **RED** to show your support for National Heart Month and to *kick off* for Jump Rope For Heart!

Is reading every day important?

The picture to the left demonstrates the importance of reading every day. As you can see, Student "A" will have read the equivalent of 60 whole school days, while Student "B" will have read only 12 school days. Which student would you expect to have a stronger vocabulary and better comprehension skills? Help your child to develop a healthy habit of reading every day. The benefits are lifelong and powerful.

East High School Elementary Night

January 31st, 2017

5:30 pm Girls Basketball Game and 7:00 pm Boys Basketball Game

Hope to see you there!!!!
