May 22nd- SPE FIELD DAY

May 24th- Last Day of School!

June 10th- SPE Cardinal Game

August 16th- First Day of School for 2017-2018

LETTER FROM DR. GRUNTMAN

Hello SPE Families!

Thank you for sharing your child(ren) with us for the 2016-2017 school year. It has been a pleasure not only getting to know the students, but also the families of St. Peters Elementary. Our students' academic, social, and emotional growth throughout the year is the most rewarding part of an educator's career. It is amazing to look back and see our students' accomplishments individually and collectively. As we end this year and take time to celebrate, we also look to the future for our 2017-2018 school year and can't help, but get excited about what the year will bring.

For our last week of school, there will be many memories made. On Monday, we have our SPE Field Day. Please make sure to have your child bring a water bottle and sun screen. Also, please read over teacher newsletters as they will share information about different activities students will be participating in within the classroom throughout the week.

It will be one, last GREAT week at SPE!!! I do encourage families to allow students to ride the bus home on the last day of school versus picking your child up. Thank you again for your continued support and partnership in helping the success of all our students! Enjoy your summer and please feel free to contact me if you need me during the summer.

Sincerely,

Dr. Erin Gruntman
