IMPORTANT: Please be sure to rank your choice clubs above!

1st Grade Only - COMPUTER CLUB

First graders are invited to blast into cyberspace in the computer lab by joining the Computer Club! The students will learn about computer basics, Google Apps for Education, coding, investigate various bookmarked internet sites, and complete a few fun projects! **Computer Club members will meet before school on Wednesdays with Ms. Benfatto and members will be contacted by September 5th.**

1st & 2nd Grade Only - CHOIR CLUB

Choir Club is designed to help students feel more comfortable singing in a group and performing in front of an audience. If you already love to sing and have fun, then this club is for you! Attendance is important in order to prepare for all concerts. **Choir Club members will meet before school on Mondays and Thursdays with Ms. Johnson. Ms. Johnson will contact with more information by September 5th.**

1st & 2nd Grade Only - PE CLUB #1

Students are invited to learn about health and team-work, while having fun and staying fit through exercise! Students will play recreational games and activities in PE Club #1. We will practice team building skills by playing various cooperative games and fitness activities. **PE Club #1 members will meet before school on Thursdays with Coach Lutz and members will be contacted by September 5th.**

1st & 2nd Grade Only - PE CLUB #2

Jump Rope

Students are invited to learn basic jump rope techniques involving long ropes, short ropes, and the occasional hula-hoop. Students will become educated about the importance of heart health and exercise, as well as, develop skills of endurance, agility, coordination, balance, and teamwork. **PE Club #2 members will meet after school on Tuesdays with Ms. Koenig and Ms. Rapplean. Members will be contacted by September 5th.**

2nd Grade Only - TSA

(Technology Student Association)

For a portion of the year, this club will be an introduction to robotics programming using the LEGO® program "We-Do"! Students will gain exposure to engineering, computer programming and problem solving. For the remainder of the year, students will use applications that teach basic programming languages to enable young children to create their own interactive stories and games. **TSA members will meet before school on Wednesdays with Mrs. Olive. Mrs. Olive will contact with more information by September 5th.**

1st Grade Only - MATH CLUB

Come see how "math" is everywhere! We will complete fun learning activities that require math skills we need on a day-to-day basis. Sometimes the games and activities will be so fun and engaging you won't even know you are doing math! **Math Club members will meet before school on Wednesdays with Mrs. Olive.**

Mrs. Olive will contact with more information by September 5th.

1st & 2nd Grade - FIBER CLUB

Students will learn how to knit and crochet. You'll be hooked! **Fiber Club members will meet before school on Tuesdays with Mrs. Ortiz and members will be contacted by September 5th.**

1st & 2nd Grade - Book Club #1

Reading has never been this fun! In Book Club #1, we will be reading and completing activities to go with the books we read. To participate in Book Club #1, it is not necessary for students to excel in reading. This club will inspire students to enjoy reading! Turn a page to a new adventure! **Book Club #1 members will meet before school on Thursdays with Mrs. Ballieu and members will be contacted by September 5th.**

1st Grade Only - EARTH CLUB

In Earth Club, students will be given the opportunity to learn about animals and the environment, how to preserve and protect the Earth, explore ways to reduce, reuse and recycle, and encourage others in our school community to adopt Earth-Friendly habits. Students will be invited to additional meetings after school or on weekends to help “beautify” the outdoor classroom. **Earth Club will meet before school on Wednesdays with Mrs. Wellman and members will be contacted by September 5th.**

2nd Grade Only - Media Club

Media Club will allow students the opportunity to interview others around the building and create videos using a green screen and special effect software via iMovie. This club will teach students how to: record videos properly, ask interview questions, put live footage into a video, and create a “news channel” that promotes school activities and celebrates students and school achievements. **Media Club members will meet before school on Thursdays with Ms. Benfatto and members will be contacted by September 5th.**

2nd Grade Only

Sign Language Club

In Sign Language Club, students will be given the opportunity to learn and practice simple sign language skills such as the alphabet, colors, animals, and other words. Students will learn to sign their name and also the Pledge of Allegiance. **Sign Language Club members will meet before school on Mondays with Mrs. Wellman and members will be contacted by September 5th.**

1st & 2nd Grade - SCIENCE CLUB

Science has never been this fun! Have you ever wanted to make pumpkin slime or build your very own rocket? Then this is the club for you! The Science Club provides extra curricular opportunities for students to extend their learning about science from the classroom. Students can explore their own interests and the world around them through hands on learning based in science. Hope to see you there. **SCIENCE RULES! Science Club members will meet after school on Thursdays with Mrs. Webb and members will be contacted by September 5th.**

2nd Grade Only - ART CLUB

Students are given the opportunity to explore their creative ideas and talents through projects that are an extension of the elementary art curriculum. If you love to dream, create, and inspire art club is for you! **Art Club members will meet before school on Wednesdays with Ms. Holland and members will be contacted by September 5th.**
