

Hello SPE Families!

Parent Teacher Conferences are almost here! To sign up for a time with your child's teacher, please click on your child's teacher below and it will take you to a sign up page. If you are wanting to sign up for a conference with a specialist teacher, please click on their name and sign up for a time with them.

All conferences will be virtual. After you sign up for a time, your child's teacher will email you with an invite and link to the conference. At the time of your conference, you will click on the link and join your child's teacher virtually to review your child's progress for 1st Quarter. If you are needing to change your time after you sign up, please call our main office (636-397-3211) and we will assist you.

We are looking forward to spending some time with you all to build a stronger team for your child, even if it is virtual for now.

Please contact our main office if you have any questions. .

Thank you,

Dr. Erin Gruntman
